RECEIVED
D.C. OFFICE OF ZONING
2006 DEC -5 P 12:06

March 8, 2005

To Whom It May Concern:

The owners of 919 Westminster St. NW, Simon Bell and John Roegner, inquired if there were any objections to building a deck over the second story roof that is at the back of the house. They are interested in doing work that is in keeping with the historical nature of their house and the others on the street. We believe that the deck they are proposing will improve the property and have no objections.

Sincerely,

Misa Rossetti and Kerry Meyer
