MEMORANDUM

TO: Board of Zoning Adjustment of the District of Columbia

FROM: Ellen McCarthy, Director

DATE July 12, 2005

SUBJECT: BZA Application 17342
2700 27th St., N.W – **Aidan Montessori School**

The applicant, Aidan Montessori School, is requesting special exception approval to limit its maximum enrollment to 180 students.

However, the Office of Planning cannot make a recommendation at this time, since the applicant has requested a postponement of the hearing in an effort to continue discussions with the community and ANC. At issue is the agreement on the limit of the enrollment and the traffic management plan and this is critical to the analysis of the special exception request.

The Office of Planning will submit a supplemental report when sufficient information has been submitted by the applicant.
