Dear Ms. Ziegler :

Thank you for taking the time to inform the members of the ANC 6A on May 12, 2005 at Miner Elementary School and also thank you for meeting with the Economic Development and Zoning Committee. We appreciate you informing us about existing and intent in removing the exit exterior steps, the upcoming construction of a new entrance lobby as an interior space, an accessible elevator to Peace Baptist Church at 712 18th Street NE Washington DC 20002 Lot 67 square 4511.

I understand that this construction is well needed for the community of the physically challenged. I am asking the D.C. Board of Zoning Adjustment to grant relief variance on case No. 17343.

ANC 6A 07 has no objections to your proposed application to the BZA and you are free to include this letter with your application to reflect my support of your application.

Please let me know if I can be of any further assistance with regard to this project or any further community involvement on behalf of Peace Baptist Church.

Sincerely,

Gladys Ann Mack
