Re: BZA Case 17343 (712 18th Street, NE)

Dear Board Members,

At a regularly scheduled and properly noticed meeting on June 9, 2005, the Commission voted 7-0 (with 5 Commissioners required for a quorum) to support the above referenced application.

The applicant seeks variances from the lot occupancy requirements and the nonconforming structure provisions to construct a new entrance lobby to an existing church in the R-4 District. This construction would help bring the facility into compliance with the requirements of the Americans with Disabilities Act and improve accessibility in general.

If you have any questions or concerns about this letter, please contact Commissioner Gladys Mack at 398-3329 or gmack01@juno.com.

Respectfully yours,

Joseph Fengler
