To: Geoffrey Griffis Chair
D.C. Board of Zoning Adjustment

Sept. 13, 2005

Re: #17349

Dear Chairman Griffis:

Please accept this statement opposing the zoning changes at 6919 6th Street, N.W.

I do not want to see charming, small bungalow homes "supersized" so that they loom over their neighbors and destroy the character of the community.

This home is way too big

Sincerely,

Sara Green
