RE: BZA Application No. 17355, 3051 Avon Lane, Stettinius residence

Dear Mr. Chairman and Members of the Board:

On August 30 2005, ANC 2E held its regularly scheduled public meeting which was duly noticed and attended by five commissioners, constituting a quorum. The above-referenced item was on the agenda. After discussion, ANC 2E passed the following motion by a unanimous vote:

> ANC 2E supports the request for a special exception to allow side additions to 3051 Avon Lane, not meeting the side yard requirements on the condition that the applicant remove the windows on the wall facing the property on the western side that would address the privacy issues that were brought to our attention by that neighbor.

Please enter this into the file for the September 13 hearing and give it the "great weight" that it deserves.

Sincerely,

Ed Solomon
Chair, ANC 2E
