Re: BZA Application No. 17358

Dear Chairperson Griffis and Members of the Commission:

Commissioner Sapp has misrepresented the official position of ANC 8A concerning Safe Haven Application #17358 at the hearing on September 20. We would like for you to consider the position of the majority.

On September 6, 2005 with a full quorum ANC8A opposed the Safe Haven project. Furthermore at the Executive Board meeting on September 19, 2005, four additional commissioners opposed the Safe Haven project as well.

The Commissioners who opposed the project were Juanita Jefferson, Barbara Clark, Maritia Michaels (phoned in her opposition) and myself. We feel that the Safe Haven, Haven House Project will disturb the peace, order and quiet of the neighborhood.

If I can answer any questions or be of further service please call me at 202-487-8489.

Sincerely,

Anthony Muhammad
Chair

September 6th, 2005
UPO Building—1649 Good Hope RD SE

Attending: Commissioners Muhammad and Hudson. Commissioner Sapp arrived at 7:19pm. Commissioner Jefferson arrived at 7:23pm.

Quorum was called to order by Cm. Anthony Muhammad at 7:25 pm. The meeting was commenced by Cm. Muhammad with no objections.

Cm. Hudson read the minutes from the July's Community Meeting. Cm. Sapp made the motion to accept the minutes and seconded by Cm. Jefferson.

Presentations
Avis Russell, *General Council for WASA* along with staff from the Office of Public Affairs discussed the *"Planned Improvements to the Water System Infrastructure Located East of the Anacostia River, Washington."* This initiative will include $70 million worth of improvements. Including but not limited to: Maintaining water quality; reliable fire protection; improve water pressure; enhance reliability for the community; address water, fire, and maintenance challenges at the St. Elizabeth campus; and will support future development. These improvements will replace 6,000 feet of piping along Minnesota Ave, from Pennsylvania Ave. to W street replaces low pressure-rated pipe with higher rated pipe to meet pressure requirements. Intend to lay 5,300 feet of 24" pipe along W street, from Ft. Station Reservoirs to Martin Luther King Jr. Ave., to provide a secondary feed to the Ft. Station Reservoirs, and a looped transmission network for better circulation. Although WASA intends to build a state – of-the-art pumping facility, the existing station will remain open during construction with no loss of service. WASA also plans to construct a 2 million gallon elevated storage tank in southern portion of Anacostia that will maintain optimal pressure, provide ample fire protection storage and provide emergency reserve in the event of mechanical failure to the pumping station. The anticipated impacts are: timeframe and rate structure may fluctuate.

Laurent Ross of the *DC College Savings Plan* gave a presentation highlighting the tax

benefits, enrollment process, and statistics.

Marsha Richardson of *Safe Haven Ministries* gave a detailed description of the history of Ministry and their upcoming project on High Street—which they are requesting support for a special variance. The project is receiving opposition for the surrounding neighbors because of the tentative parking situation.

Mrs. Muhammad of *Wedded Bliss* gave a brief presentation of her program that promotes marriage in the Black community.

Community Concerns
Pat Jones of the Fairlawn Civic Association gave an announcement regarding the upcoming Harvest Ball on Friday October 21, 2005 cost $30. The proceeds will donated to their scholarship fund.

Mrs. Price of the United Planning Organization gave an announcement regarding canning gleaming program.

Meeting adjourned at 9:18pm
