Ms. Kress:

I am writing in support of Application Number 17365 for Kevin West at 1535 A St SE.

Mr. West is a neighbor of mine, and the two story rear addition he is proposing will improve the neighborhood by improving property values. It will not have any negative impact on my property, which is two doors away, nor on the neighborhood in general.

I fully support Mr. West's application for zoning, and I ask that you approve his application.

Sincerely,

Andrew S. Defler
