STATEMENT OF SUPPORT

I, the undersigned, understand that the owners of 2328 Nineteenth Street NW, Kerstin Canby & Norbert Schady, intend to construct a 21 feet wide by 7.58 feet deep first floor sun-room addition and second floor balcony/terrace addition to the rear of the existing row-house structure.

I have seen plans and renderings of the proposed addition and believe that it maximizes natural light to adjacent neighbors and is consistent with the architectural integrity of the existing home. I therefore support their efforts to have the proposed addition approved by any necessary boards and commissions.
