Re: BZA Application 17379 - 516 Groff Court, NE

Dear Ms. Kress:

This responds to your referenced Memorandum dated June 13, 2005, requesting review of this application in the light of its location in the Capitol Interest District, 11 DCMR, Section 1202 et seg. The original package was damaged during delivery and a replacement package was not obtained until late summer.

The request of this applicant, for a special exception to construct an addition to an existing non-conforming structure located in the CAP/R-4 residential zone (Section 3104.1), would create no adverse effect on the Capitol Complex or the Master Plan referred to in 11 DCMR 1201.1.

Sincerely,

Alan M. Hantman, FAIA
Architect of the Capitol
