RE: The Lab School - BZA Case No. 17383

Dear Chairman Griffis & Members of the Board:

On February 21, 2006, we filed a Proposed Findings of Fact and Conclusions of Law on behalf of the Lab School. Please delete the first complete sentence on page 10 of the draft order. According to the ANC, there was no action taken by the ANC to urge the Lab School's consideration of parking in the right of way.

In addition today, Allyn Kilsheimer, a member of the Board of the Lab School and a witness at hearing, filed a letter into the record. This letter was filed without the authorization of the School and represents Mr. Kilsheimer's personal views only.

Sincerely yours,.

Allison C. Prince
