Re: **BZA # 17398**
510 H Street NE
Design Army Headquarters

Dear Mr. Nero,
With the utmost urgency, we request your assistance in acquiring a written notification of our BZA Order 17398. The on-going six month delay in acquiring this piece of paper has become a truly critical issue for the development of this property.

1. The Owner is being fined by DCRA for not repairing his building at the same time that DCRA will not grant an architectural review of the permit drawings because they have not seen the written BZA order.
2. The selected general contractor on the project is going to pull his bid and revise his numbers upward because he has been waiting so long for a building permit.

The Owners of this property are Ward 6 Residents and Co-owners of a certified Small, Local Disadvantaged Business.

Thank you for your prompt attention to this matter.

Sincerely,

John K. Burke, AIA
