Re: 5362 27th Street, N.W.

This memorandum is to confirm that I, Jeffrey A. Schonberger, on this day did mail by First Class through the United States Post Office to Matthew Epstein, Amy Cohen Epstein, and The Trustees of the Michael Sears Trust, all at the address of 5362 27th Street, N.W., Washington, D.C. 20015 a copy of the Appeal filed by me.

This memorandum further confirms that I was instructed at the time of the filing that I was not required to send such notice and that such notice would be sent directly to Mr. & Mrs. Epstein by the Board. I was subsequently informed that such notices were in fact mailed to Mr. & Mrs. Epstein by the Board.
