Please answer all of the following questions referencing why the above person should be granted party status.
(If you require additional space, please attach an additional sheet.)

1). How will the property owned or occupied by such person, or in which the person has an interest be affected by the action requested of the Board?

It will be ruined by the proposed development, with huge traffic flow, construction trucks for months or years, noise, and the impact on major residential street.

2). What legal interest does the person have in the property? (i.e. owner, tenant, trustee, or mortgagee)

I own my house outright.

District of Columbia

3). What is the distance between the person's property and the property that is the subject of the appeal or application before the Board? (If applicable, farther than 200ft.)

195 feet

CASE NO.
EXHIBIT NO. 44

4). What are the environmental, economic or social impacts that are likely to affect the person and/or the person's property if the action requested of the Board is approved or denied?

Most of the trees will go, the character of an old and established residential neighborhood will be completely destroyed. The traffic on our street will be horrendous once this huge upper school is built.

5). Describe any other relevant matters that demonstrate how the person will likely be affected or aggrieved if the action requested of the Board is approved or denied.

The traffic increase on Foxhall + Reservoir Rds, already at a standstill, would be so enormous that it would be gridlock. It is wrong that a group of wealthy parents are trying to inflict their wishes on our neighborhood already overcrowded.

6). Explain how the person's interest will be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than that of other person's in the general public.

I reside within 200 feet of a huge, proposed school, where there would be several large buildings and many houses all dropping their students and residents' cars on our street on an already vastly overcrowded Foxhall Road.
