RE: St. Patricks, case # 17429

Dear Mr. Griffis:

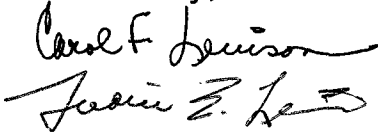

As residents of Foxhall Village, and owners of a house that backs on to Foxhall Road, we are writing to you to request that stringent limitations be placed on the number of students permitted and the number of vehicles allowed on to the proposed St. Patrick's High school campus. A model for this already exists in the agreement with the Field School.

Foxhall Road, during commuter hours AND when all eleven schools in the neighborhood let out is grid-locked. What will it be like when all those additional cars headed for St Patricks are added to what is already a thoroughfare in crisis?

We are concerned an even more dangerous situation will be created unless a firm, binding plan which addresses the enormous traffic problems is agreed to before this project is approved,

Thank you very much for your attention.

Yours truly,

Carol and Fred Levison
