Re: St. Patrick's Episcopal Day School – BZA Application No. 17429B

Dear Chair Horn and Members of ANC 3D, and Members of the DC Board of Zoning Adjustment:

On behalf of Our Lady of Victory Catholic School, I am pleased to express our support for St. Patrick's Episcopal Day School's Campus Unification Project and BZA Application No. 17429B.

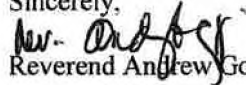

Our schools have developed a strong working relationship built on open communication, mutual respect, and a shared commitment to being responsible institutional neighbors. We have regularly coordinated school operations, including dismissal schedules, major events, parking, and the shared use of resources when appropriate, in order to minimize impacts on our surrounding residential community.

We have reviewed St. Patrick's proposed transportation and pick-up/drop-off operations for the Whitehaven Parkway campus and do not believe the proposed plan will interfere with our own school operations, which limit pick-up/drop-off on Whitehaven Parkway to 8th grade students only, or create adverse impacts for our families or the surrounding neighborhood. We appreciate the thoughtful planning that has gone into the transportation management strategy and support the proposed Pick-Up and Drop-Off (PUDO) Plan detailed in the St. Patrick's BZA application.

We also appreciate St. Patrick's commitment to continued coordination throughout construction and beyond. We look forward to continuing our collaborative efforts to coordinate school operations, transportation, vendor activities, and other shared logistical needs so that our institutions can work together in ways that benefit our students while minimizing impacts on our neighbors.

Based on our longstanding partnership and confidence in St. Patrick's collaborative approach, Our Lady of Victory Catholic School supports St. Patrick's Episcopal Day School's BZA Application No. 17429B.

Sincerely,

Reverend Andrew Gonzalo
