CLUCK-U-CHICKEN®

Cluck-U Chicken ® was started by Robert Ilvento, a 20 year old college sophomore who never made it to his junior year. The first restaurant was opened in 1985 at Rutgers University in New Brunswick, NJ.

In 1990 JP Haddad joined Robert Ilvento and opened the 3rd Cluck-U-Chicken store near the University of Maryland, in College Park, MD.

Later, JP purchased Robert's share of the College Park business and partnered with his brother Simon. Although the two brothers had engineering degrees, they saw this opportunity to become self-employed, for the first time, and never looked back. They began assisting Robert in building the Cluck-U-Chicken ® system.

Seeing how successful JP and Simon were in running the College Park unit, four of their managers opened Cluck-U-Chicken stores elsewhere in Maryland during the next five years.

By the year 2000, twenty Cluck-U-Chicken ® units were operating in five states. In that year, JP acquired the right to develop the Cluck-U-Chicken ® franchise system nationally, while Robert turned to other endeavors.

JP and Simon Haddad have developed new products and a distinctive Cluck-U-Chicken ® look.

Their goal is to have a Cluck-U-Chicken ® restaurant near every college campus and in every city in the U.S., and later, the world.

Cluck-University Chicken, it's an addiction.

CLUCK-U CHICKEN
"BEST BUFFALO WINGERS IN THE WORLD"

P.O. BOX 99, Beltsville, MD 20704-0099

Mr. Richard Nero, Jr.
Chief of Support Services & Quality Control
D.C. Office of Zoning
441 4th Street, N.W.
Washington, D.C. 20001

Dear Mr. Nero:

Please accept this letter in support of the current restaurant occupancy permit of Cluck-U-Chicken on H Street, N.E.

Cluck-U-Chicken offers a great menu of unique, great-tasting, premium, and every day selections that offer a healthy alternative of the usual fast food fare. With its diverse menu, including chicken, fish, pork, salads, and sandwiches, Cluck-U provides a true meal experience found only at a good restaurant. Cluck-U prides itself at preparing creative and tasty recipes, producing a menu that is unique and diverse. With our fresh and made-to-order homemade dishes such as fried chicken, fish, livers and gizzards, shrimp, barbeque ribs, salads, sandwiches, mashed potatoes, beans and rice, collard greens and creamed spinach, Cluck-U provides a quality sit down dining experience for the community. All of our menu items are made-to-order, a compromise that puts us at a disadvantage to fast food eateries where the speed of service and prepared food is a priority. Therefore, even though some in this community have characterized Cluck-U as a fast food restaurant, it is a casual dining restaurant with modest prices.

The fact is that except for DC, Cluck-U-Chicken has been categorized as a "restaurant" in each of our jurisdictions of New Jersey, Maryland and Delaware. As for H Street, I believe we have met the restaurant criterion. On that basis we have made extensive financial commitments, to only now be faced with unfair, insensitive predicaments. Cluck-U never misled the city nor intended to and nor it will. To the contrary, we have and will make the necessary modifications and adjustments required by the proper agencies in order to protect this investment as a restaurant.

BOARD OF ZONING ADJUSTMENT
District of Columbia

CASE NO. 17439

EXHIBIT NO. 25C

A decision to revoke the current restaurant occupancy permit will have devastating effects on the two brother owners and their respective families and the staff who takes great prides in providing a clean, safe and decent service to the immediate community, which for so long has been deprived of quality and above standard sit-down dining facilities.

Finally, Cluck-U-H street's size, design and menu are being used as an exemplary model and prototype to further distinguish Cluck-U-Chicken from fast food outlets, and to reinforce its image as a comfortable cook-to-order restaurant with modest prices.

Sincerely,

Simon Haddad
Vice President

Our Motto:
“Please be patient.
Great food takes time.”

No drive through either.

We provide nearly 20 jobs for
area residents.

We've invested our life savings
with more than \$300K to outfit as
a restaurant.

More than \$7 million in revenues
will be lost if our permit is
revoked.

Our restaurant license was properly issued and *thoroughly* vetted by agency officials & staff.

ANC 6A has consistently and publicly opposed new restaurants on the corridor.

Special exception is not
a viable option.
