Re: BZA Appeal No. 17468

Dear Mr. Fengler:

Your appeal has been accepted as complete. You are hereby notified to appear before the Board of Zoning Adjustment on Tuesday, May 16, 2006, at 441 4th Street, N.W., Suite 220, Washington, D.C., 20001 for a public hearing concerning the following appeal:

Appeal of Advisory Neighborhood Commission 6A, pursuant to 11 DCMR §§ 3100 and 3101, from the decision of the Zoning Administrator (ZA) to issue approvals for electrical, fire, mechanical and plumbing disciplines (DCRA Tracking No. 236 D5) with the intention of issuing building permits to allow the expansion of a nonconforming apartment building from 3 units to 6 units. Appellant alleges that the ZA erred by giving said approvals without consideration of the underlying R-4 zoning use and area requirements and the parking requirements under section 2115. The subject property is located in the R-4 District at premises 1124 E Street, N.W. (Square 984, Lot 44).

This case is in Advisory Neighborhood Commission 6A. This case will be heard between 1:00 p.m. and 6:00 p.m.

You should be aware that items may be submitted to the Board by other individuals, organizations and government agencies both in support of and in opposition to your appeal. Approximately one week prior to the public hearing, you should review the file in your appeal so that you are prepared to respond to any issues that may be raised regarding your appeal. Further, if you are not clear about what information you must present to the Board in support of your appeal, please contact the Office of Zoning as soon as possible.
