 Chairperson
 Board of Zoning Adjustment
 441 4th Street, N.W.
 Suite 200
 Washington, D.C. 20001

BOARD OF ZONING ADJUSTMENT
District of Columbia

CASE NO. 17468-A
 EXHIBIT NO. 28

Re: **BZA Cross Appeal No. 17468 A**
1124 E Street, N.E.
Square 984, Lot 44 ("Property")

Dear Mr. Griffis:

On behalf of the Cross Appellant, Mr. Endalkachew Tesfaye, I am submitting the enclosed DCRA certificate of occupancy records requested by the Board at the conclusion of the June 27, 2006, public hearing.

These records confirm the Zoning Administrator's undisputed determination in his March 22, 2006, letter: "This use [3-unit apartment building] predated the current zoning regulations [May 12, 1958] . . ." Dennis Taylor, Esquire provided these records and requested the undersigned submit them to the Board.

For the Board's convenience, the DCRA records are being submitted in chronological order, including:

Exhibit 1: April 25, 1951: Certificate of Occupancy application for use of the Property as "Apartments" on the first and second floors. Although a copy of the Certificate of Occupancy

that was issued has not been located, the application (top left-hand corner) documents that Certificate of Occupancy No. A 11367 was issued on August 30, 1951.

Exhibit 2: July 15, 1964: Certificate of Occupancy No. B43718 for use of the first and second floors as "Apartment House". The Certificate of Occupancy application dated October 18, 1963 (attached) is for a new owner (United Church of God, Inc.) and seeks the same use for the existing three (3) apartments. The application references (box in lower left hand corner) the prior Certificate of Occupancy, No. A 11367, for apartment house on the first and second floors.

Exhibit 3: November 8, 1965: Certificate of Occupancy No. B54199 for "Apartment House" with three (3) apartments on the first and second floors, and application dated November 8, 1965. This is a Duplicate of Certificate of Occupancy No. B 43718 shown in Exhibit 2.

Exhibit 4: June 28, 1966: Certificate of Occupancy No. B 53243 for use of part of the first floor as a "Church-Seating 75 Persons." According to the attached application (box in lower left hand corner: "None Common uses"), the Church use does not involve the space on the first and second floors occupied by the existing three (3) apartments. Although not specifically identified, it is likely that the Church occupied what was and is now the two-car garage.

Exhibit 5: April 14, 1967: Certificate of Occupancy No. B 60942 for use of the first and second floors as "Apartment House", with three (3) apartments. This is a Duplicate of Certificate of Occupancy No. B 54199 (November 8, 1965) shown in Exhibit 3.

Exhibit 6: April 14, 1967: Certificate of Occupancy No. B 60941 for use of part of first floor for "Church-Seating 75 Persons." This is a Duplicate of Certificate of Occupancy No. B 53243 (June 28, 1967) shown in Exhibit 4. Issuance on the same day (simultaneously, based on the sequential permit numbers) of Certificates of Occupancy for both the Apartment House with three (3) apartments and the Church space demonstrates that the two uses are separate and do not share any common space.

Based on this documentation and the overwhelming evidence and the detailed and expert zoning and legal analysis presented at the hearing, the Cross Appellant respectfully requests the Board to grant the Cross Appeal and direct DCRA to approve and issue without further delay the pending application for a Certificate of Occupancy for the Property as a six-unit apartment (condo) building.

Under the unique circumstances and the continuing hardship to the Cross Appellant which will be created by a delay in the Board issuing a full written order, the Cross Appellant urges the Board to issue an expedited written Preliminary Order granting the Cross Appeal and directing DCRA to issue the pending Certificate of Occupancy within seventy-two (72) hours. This Preliminary Order is not intended to substitute for a full order, including findings of fact and conclusions of law, but will allow the Board to take immediate and binding action and

prevent DCRA from delaying action and/or by raising new issues not previously identified in Mr. Crews' letter of March 22, 2006.

Thank you for your cooperation and dedication to resolving this matter on an expedited basis.

Very truly yours,

GREENSTEIN DELORME & LUCHS, P.C.
