☐ Petitioner

☐ Appellant

☐ Party

☐ Intervenor

PLEASE TAKE NOTICE, that the undersigned will bring a motion to:

Request for Leave pursuant to 11 DCMR § 3100.5.

Points and Authorities:

Please state each and every reason why the Zoning Commission (ZC) or Board of Zoning Adjustment (BZA) should grant your motion, including relevant references to the Zoning Regulations or Map and where appropriate a concise statement of material facts. If you are requesting the record be reopened, the document(s) that you are requesting the record to be reopened for must be submitted separately from this form. No substantive information should be included on this form.

On behalf of the Applicant, Mary S. Goodman, we respectfully request that the Board waive 11 DCMR § 3113.8 and permit the filing of the attached revised architectural plans. The purpose of this filing is to provide revised architectural plans that comply with the Office of Planning's (OP) condition regarding the trellis, stated in their report filed on March 29th. OP conditioned their recommendation of approval on the Applicant submitting revised "drawings to indicate that the trellis connects completely with the rear door of the principal dwelling, including the stairs leading up to the rear door of the house." In an abundance of caution, the Applicant seeks to incorporate these plans into the record before the hearing.
