Dear Chairwoman Heath and other members of the Board,

I am a resident of ANC 2E and I live near 3254 O Street NW. I have spoken with the owner of the property, Ms. Goodman, and understand that she seeks to add an accessory apartment to her home by constructing a second story above her existing garage. I reviewed the plans with her and I am aware that she will need a special exception from the Board of Zoning Adjustment to proceed.

As such, I am writing to offer my full support of this project. The proposed accessory apartment was thoughtfully designed and reflects the character of many alley structures in our neighborhood. Furthermore, Ms. Goodman's lot is quite large for the area, and can easily accommodate an accessory apartment. I do not believe the approval of this project will have any adverse impact on the neighborhood.

I strongly recommend that the Board approve the special exception and allow this project to move forward. Thank you very much for your time and consideration.
