BOARD OF ZONING ADJUSTMENT**

In re:

Minshall Stewart Properties, LLC,
Appellant,

Appeal No. 17667

MOTION FOR ENLARGEMENT OF TIME

The Respondent District of Columbia (hereinafter "District"), by and through undersigned counsel, respectfully moves this Board, pursuant to Rule 3117.3 of the Board of Zoning Adjustment Rules of Practices and Procedures, to enlarge the October 19, 2007 deadline for the District to file its Final Brief until October 26, 2007. As a basis for the District's Motion, the District submits that additional time is needed because the transcript for the October 9, 2007 hearing was only made available on the deadline date of October 19, 2007. The District avers that the transcript is a necessary component in the preparation of a brief that will benefit this Board in its deliberations and to do more than replicate previously filed material.

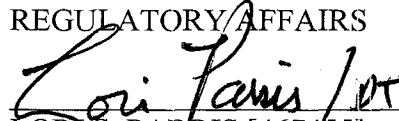

The District is aware of the briefing schedule for BZA Application No. 17549. To avoid scheduling conflicts, the District proposes that the briefing schedule in No. 17549 be amended so that the deadline for Opposition Briefs becomes November 5, 2007, and the deadline for Reply Briefs becomes November 14, 2007. Such schedule would still allow complete briefing of that application in time for the Reply Briefs to be distributed to Board members on November 15, 2007. The proposed amended briefing schedule would not compromise the hearing scheduled for November 20, 2007.
