Re: BZA No. 17670 / BZA Civil Infraction No. 07-0001

Dear Mr. Katz,

On May 11, 2007, the Office of Zoning received the appeal that you filed on behalf of Capital Building, Inc., Eimaj, Inc. and Nicholas Filloramo for the property located at 7445 Georgia Avenue, N.W. At that time, the filing received Appeal No. 17670. Please note that the case is hereby re-designated **CI No. 07-0001** [OAH No. CR-1-N100089]. Please use this new number in all future correspondence to the BZA related to this case.

Along with the appeal application, you filed a "Statement of the Case." Enclosed with this letter is a Briefing Order for the parties to this case. It contains the deadlines and requirements for all briefs to be filed. If you wish to have the Board consider your Statement of the Case in lieu of filing a new brief, you may submit a request to that effect, along with a table of contents that pertains to the Statement. Alternatively, you may file a Supplement to the Statement for the Board to consider. In any event, you are requested to file a table of contents by the filing deadline to facilitate the review of your documentation. If you have any questions, please contact the Office of Zoning at the number below.

Sincerely,

A handwritten signature in black ink, appearing to read "Clifford Moy", is written over a large, stylized circular flourish.

Clifford Moy
Secretary to the Board of Zoning Adjustment
