DC. OFFICE OF ZONING
2008 APR 17 AM 11:20

The Department of Health, Health Regulation and Licensing Administration, Child and Residential Care Facilities Division (DOH/HLRA/C&RCFD) recommends that the applicant be granted special exception pursuant to Title 11 DCMR § § 205.9 and 205.10 to allow a proposed licensed child development center, with fifteen (15) children and required rotating staff in an existing, detached family dwelling.

Additional licensed child care slots would be greatly beneficial to the City's increasing demand for licensed child care facilities.

Should you have further questions, you may contact Denise Ryles-McKoy, Supervisory Human Services Licensing Specialist for the Child Care Licensing Branch, Child and Residential Care Facilities Division on 422-4780.

Sincerely,
