Dear Neighbors:

Allow me to introduce myself to you. I, Bishop George F. Haskins, Jr. and First Lady Dianne M. Haskins are the new owners of 4605 Kana Place, N.E., Washington, D. C.

I am soliciting you support to open a new daycare center on these premises. I presently own the daycare center located at 4800 Nannie Helen Burroughs Avenue, N. E. for approximately 20 years. The current space is no longer adequate. If you would sign the sheet to provide support I know that the parents and children inclusive of us would be most grateful.

I promise you that I will be a good business neighbor. There will never be any problems or concerns that you will have to deal with because we are professional in everything we do. We declare that we will be conducting ourselves in a Christian and God fearing manner at all times. I searched intensely and finally located this one for them that is still close to the bus stop and metro.

Also, I have an outstanding record at my present location and also with the District of Columbia Child Care Department.
