

Application Case No. 18238A
Summary of Witness Testimony

Guy Silverman

Owner, Eighth Street LLC

- Mr. Silverman is the Applicant and owner of 413 8th Street, SE, Washington D.C. 20003.
- Mr. Silverman will be available to answer any questions the Board may have relevant to its lease with Chipotle Mexican Grill, Inc. at this location, the working relationship with the ANC and its neighbors throughout this process to request a fast food exception, and any proposed conditions to the property.

Matthew J. France

Director, Development Northeast
Chipotle Mexican Grill, Inc.

- Mr. France is the Director of Development for the Northeast for Chipotle Mexican Grill.
- Mr. France will be available for any questions the Board may have relevant to this lease location as a Tenant. Mr. France will be available to answer any questions related to the general operations of this Chipotle location, the working relationship with the ANC and its neighbors throughout this process to request a fast food exception, and the proposed design changes to replace the existing outdoor trash/recycling shed with a dedicated trash/recycling walk-in cooler and to reconfigure the space currently dedicated to the outdoor trash/recycling shed, mechanicals, and the Tenant's walk-in food cooler to allow the new trash/recycling walk-in cooler to be connected to the building by a code-compliant method.

Rich Fidler

Design Director
Chipotle Mexican Grill, Inc.

- Mr. Fidler is the Design Director for Chipotle Mexican Grill.
- Mr. Fidler will be available for any questions the Board may have relevant to this lease location as a Tenant. Mr. Fidler will be available to answer any questions related to the design of this Chipotle location, the working relationship with the ANC and its neighbors throughout this process to request a fast food exception, and the proposed design changes to replace the existing outdoor trash/recycling shed with a dedicated trash/recycling walk-in cooler and to reconfigure the space currently dedicated to the outdoor trash/recycling

shed, mechanicals, and the Tenant's walk-in food cooler to allow the new trash/recycling walk-in cooler to be connected to the building by a code-compliant method.

Daniel Morris

Red Architecture and Planning, LLC

- Mr. Morris is an architect with architectural firm Red Architecture and Planning.
- Mr. Morris will be available to answer any questions the Board may have related to the construction and design to replace the existing outdoor trash/recycling shed with a dedicated trash/recycling walk-in cooler and to reconfigure the space currently dedicated to the outdoor trash/recycling shed, mechanicals, and the Tenant's walk-in food cooler to allow the new trash/recycling walk-in cooler to be connected to the building by a code-compliant method.
