Dear 1A ANC Commissioners,

I am a neighbor of the alley property know as 1018 Irving Street NW. I understand that the owners are proposing to add an additional story to the building to a measured height of 23'-10" and change the use of the building to 1 Office and 2 Single-Family Dwellings.

I understand that the Advisory Neighborhood Commission 1A is scheduled to discuss the proposed project as a variance to the zoning regulations.

I have been personally briefed on the design for the proposed addition. I understand the overall scope and intent of the planned construction project at 1018 Irving Street NW and I herby advise the ANC-1A and the DC Board of Zoning Adjustment that I support the construction of the proposed addition and the zoning relief for the height change,

Dear 1A ANC Commissioners,

I am a neighbor of the alley property know as 1018 Irving Street NW.

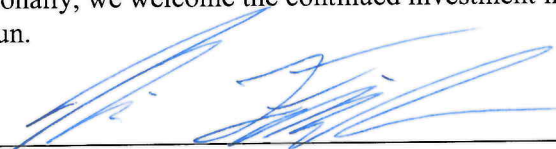

I have owned 1011 Irving St NW since July 1st of 2013.

I understand that the owners are proposing to add an additional story to the building to a measured height of 23'-10" and change the use of the building to 1 Office and 2 Single-Family Dwellings. I understand that the Advisory Neighborhood Commission 1A is scheduled to discuss the proposed project as a variance to the zoning regulations.

I have received the invitation, but am unable to attend.

I have been personally briefed on the design for the proposed addition. I understand the overall scope and intent of the planned construction project at 1018 Irving Street NW and I herby advise the ANC-1A and the DC Board of Zoning Adjustment that I support the construction of the proposed addition and the zoning relief for the height change...

Specifically, I support the efforts to add residential units and improve the blight that is the remaining shell of the garage. Additionally, we welcome the continued investment in our neighborhood which is mutually beneficial, especially in the long run.
