CORRECTED SUMMARY ORDER¹ ON
REQUEST FOR MODIFICATION OF SIGNIFICANCE

Original Application. In Application No. 18744, the Board of Zoning Adjustment (“Board” or “BZA”) approved the request by SB-Urban LLC for relief under the Zoning Regulations of 1958 including: a variance from the court width requirements, a variance from the requirement to maintain existing parking, a special exception from the requirement to provide additional parking for an addition to an historic resource, and a special exception from the roof structure setback and uniform enclosing wall height requirements, to construct an addition to a historic structure to establish an apartment building in the DC/SP-1 District. The Board issued Order No. 18744 on May 20, 2014. (Exhibit 7.) The approval was subject to two conditions, including implementation of a Transportation Demand Management (“TDM”) plan.

Proposed Modification. On October 18, 2019, the current owner of the property, Patterson SPE LLC, (the “Applicant”) submitted a request for modification of significance to Order No. 18744. (Exhibits 1-16.) The Applicant proposes to convert 31 of its 92 residential units to a lodging use. (Exhibit 2.) The Applicant would nonetheless continue to set aside seven residential units as Inclusionary Zoning units. Based on the proposed modification, the Applicant requests a special exception under the use permissions of Subtitle U § 504.1(f) to permit the lodging use. The zoning relief requested in this case was self-certified, pursuant to 11 DCMR Subtitle Y § 300.6. (Exhibit 19.)

Notice of the Request for Modification. Pursuant to Subtitle Y § 704.5, the Applicant served the request for modification of significance on the parties to the original application. (Exhibit 1.) The Board referred the application to the appropriate agencies and provided proper and timely notice of the public hearing in accordance with Subtitle Y § 402.1.

Parties. The parties to this case were the Applicant and Advisory Neighborhood Commission ("ANC") 2B.

ANC Report. The ANC's report indicated that at a regularly scheduled, properly noticed public meeting on January 8, 2020, at which a quorum was present, the ANC voted to support the request, provided that the Applicant contributes \$65,000 to the Housing Production Trust Fund based on a schedule agreed to by the Applicant.² (Exhibit 42.)

OP Report. Office of Planning submitted a report recommending approval of the proposed modification of significance and the requested special exception. (Exhibit 40.)

DDOT Report. The District Department of Transportation submitted a report indicating that it had no objection to the proposed modification of significance and proposing amendments to the previously-approved TDM plan based on the introduction of the lodging use. (Exhibit 39.) The Board adopted those additional TDM measures as conditions of this Order.

Request for Modification of Significance

Pursuant to Subtitle Y § 704.1, any request for a modification that does not meet the criteria for a minor modification or modification of consequence³ requires a public hearing and is a modification of significance. The Applicant's request complies with 11 DCMR Subtitle Y § 704, which provides the Board's procedures for considering requests for modifications of significance.

Based upon the record, the Board concludes that in seeking a modification of significance, the Applicant has met its burden of proof under Subtitle Y § 704.

Special Exception Relief

The Applicant seeks relief under Subtitle X § 901.2, for a special exception under the use permissions of Subtitle U § 504.1(f) to permit the conversion of 31 units to a lodging use.

Based upon the record before the Board, and having given great weight to the appropriate reports and recommendations filed in this case, the Board concludes that the Applicant has met the

² The Applicant agreed to make the first \$32,500 payment within 60 days after the issuance of the written BZA Order and expiration of the appeals period (or satisfaction of any appeals), and the second \$32,500 payment prior to the issuance of a certificate of occupancy for the lodging use.

³ See, Subtitle Y §§ 703.3 and 703.4.

burden of proof that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map and that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map. The Board further concludes that, pursuant to Subtitle X § 901.2(c), any other specified conditions for special exception relief have been met.

“Great Weight” to the Recommendations of OP

The Board is required to give “great weight” to the recommendation of OP pursuant to § 5 of the Office of Zoning Independence Act of 1990, effective September 20, 1990 (D.C. Law 8-163; D.C. Official Code § 6-623.04 (2018 Repl.) and Subtitle Y § 405.8). The Board finds OP’s recommendation that the Board approve the application persuasive and concurs in that judgment.

“Great Weight” to the Written Report of the ANC

The Board must give “great weight” to the issues and concerns raised in the written report of the affected ANC pursuant to § 13(d) of the Advisory Neighborhood Commissions Act of 1975, effective March 26, 1976 (D.C. Law 1-21; D.C. Official Code § 1-309.10(d) (2012 Repl.) and Subtitle Y § 406.2) The Board finds the ANC’s recommendation that the Board approve the application persuasive and concurs in that judgment. The Board did not adopt the requirement that the Applicant contribute \$65,000 to the Housing Production Trust Fund as a condition of this Order, as it did not find the condition necessary to mitigate an adverse impact of the proposal; however, the Board recognizes that the Applicant has agreed to the contribution and expects that the Applicant will abide by its agreement to the ANC.

Pursuant to Subtitle Y § 604.3, the order of the Board may be in summary form and need not be accompanied by findings of fact and conclusions of law where granting an application when there was no party in opposition.
