To: Alex Hastings <alex.s.hastings@gmail.com>

Mr. Hastings:

I am writing to remind you to submit your relevant signed letters of support to me by September 15, 2015. The Commission voted to support your project contingent upon receipt of the letters of support from neighbors that are affected by your project. Accordingly, do not submit the support letter from the resident of 2201 M Street NE.

Finally, the BZA will not give a commissioner "great weight" in this matter and no other ANC 5D commissioner is authorized to represent the Commission in this matter.

Thank you for your cooperation.

Commissioner K. Henderson, 5D05
Chairperson, ANC 5D

Hi Kathy- I just saw the agenda for the meeting tomorrow night and I had a request- my wife and I are leaving our nine month old child with a sitter at home, and would prefer to get home as soon as possible- is there any way I could present earlier in the evening? Thanks, and have a great labor day!
