

To The Chairperson of ZC or BZA,

I Michelle Turner live at 114 U ST NE is submitting this letter of opposition for the record concerning the application submitted by Colleen Eubanks BZA application No. 19191. Address is 133 U ST NE. Mrs. Colleen Eubanks was at an Eckington Civic Association Meeting. She stated she moved into the house too down size now she wants to add a fourth floor. I call that upgrading not downsizing. I am sorry but I not for these popup we have two on our block now and they are so ugly it messed up the neighborhood. I do not want to see any more changes to our street. My mother Florence Turner lived on this block for 70 year and she doesn't want to see any more changes.

Thank You,

Michelle Turner
