Re: BZA Zoning Application
Application of Thomas and Whitney Paxson, 619 Elliott Street NE
BZA#19199

Dear Board of Zoning Adjustment:

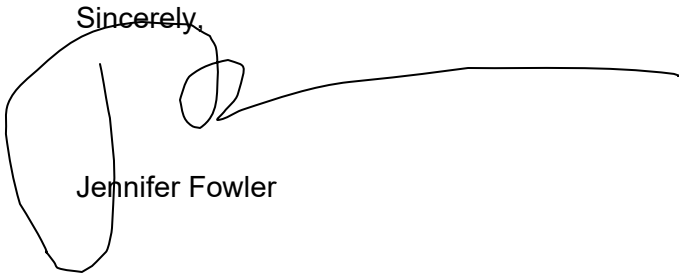

On behalf of the property owners, I would like to request that the BZA hearing for 619 Elliott Street NE be removed from the March 8, 2016 calendar and be placed on the BZA agenda for a later date.

Soil testing was performed on the house to determine the structural feasibility of adding a third floor. The geotechnical engineer encountered substantial water beneath the basement slab. We are making this request in order to further study the options for reinforcing the existing foundations.

I would request that the date of the hearing be no sooner than April 19th, which will allow us to attend the ANC meetings on March 16th and April 14th.

Thank you for considering this request.

Sincerely,
