Re: BZA Zoning Application
Application of Thomas and Whitney Paxson, 619 Elliott Street NE
BZA#19199

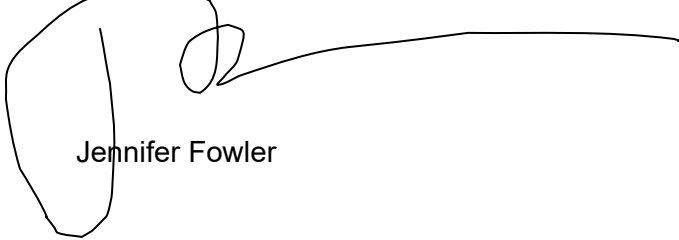

Dear Board of Zoning Adjustment:

On behalf of the property owners, I would like to request that the BZA application for 619 Elliott Street NE be withdrawn.

Soil testing was performed on the house to determine the structural feasibility of adding a third floor. The geotechnical engineer encountered substantial water beneath the basement slab. The structural work required to reinforce the foundations would be too costly to make the project feasible.

Thank you for considering this request.

Sincerely,
