Re: 2803 Sherman Avenue NW

Dear Committee,

This letter is to confirm that 2805 Sherman Avenue NW, has no vent, chimney or Solar Panel that will be effected by the proposed addition of third floor on 2803 Sherman Avenue NW.

In addition, the two properties do not share a party wall, both properties are setback from the side yard and there is an open court space between the two properties. (Please see attached photos)

Furthermore, we researched the property address above for any open permit application for Solar Panels and we found there was no application for 2805 Sherman Avenue NW.

(Please see attached copy of history of permit applications for this address).

Sincerely,

Alon Eckhaus

Owner of 2803 Sherman Avenue NW
