BZA Application No. 19219

Subject Property:

2001 2nd Street, NE
Washington, DC 20002

I, the undersigned, certify that I am a neighboring resident to the subject property listed above, and that I have been informed of the BZA application which has been submitted and I enthusiastically support the project as submitted.

I have been informed that the application for zoning relief for the subject property requests increasing the number of dwelling units from four to five units. I also have been informed that no additional requests have been made for building height or lot coverage. Finally, I also understand that three off-street parking spaces will be provided where zero exist today for this property.
