A RESOLUTION IN SUPPORT OF BZA CASE NO. 19235 & 19236 REQUESTING A SPECIAL EXCEPTION FOR 753 AND 755 COLUMBIA RD N.W.

WHEREAS; Hobart, LLC, the Applicant, is seeking a special exception from the Board of Zoning Adjustment, pursuant to 11DCMR §3104.1 regarding §336 on use requirements, to construct an addition to and convert an existing two story dwelling into a three-unit condo apartment house in an R-4 District at located at 753 Columbia Rd. NW (Square 2890, Lot 99);

WHEREAS; Hobart, LLC, the applicant, is also seeking a special exception from the Board of Zoning Adjustment, pursuant to 11DCMR §3104.1 regarding §336 on use requirements, to construct an addition to and convert an existing two story dwelling into a three-unit condo apartment house in an R-4 District at located at 755 Columbia Rd. NW (Square 2890, Lot 100);

WHEREAS; These conversions will include a matter of right development on the adjoining vacant lot. The Applicant proposes lot subdivision for 753 and 755 Columbia Road NW. Following a subdivision, the properties will have 2700 square feet of land, which satisfies the minimum requirement;

WHEREAS; The Applicant is proposing to add one-story to the current building structures and three-story rear additions, which will be 35 feet in height. The Applicant is also providing two parking spaces;

WHEREAS; The properties' roof structure does not block or impede the functioning of a chimney or external vent of the adjoining property, nor does it interfere with an operation of an existing permitted solar energy system on an adjacent property;

WHEREAS: The Applicant submitted a shadow study that depicts minimal impact on sunlight to the adjoining property to the west, which is a privately owned property and abutting row house dwelling. The light and air available to the neighboring properties will not be unduly affected based on the shadow study. The property also faces south and therefore, the addition will have minimal impact on sunlight to the neighbor to the west;

WHEREAS: The Applicant has received letters of support from the community and is willing to change the architectural design to complement the façade of the abutting properties and aligns with the neighborhood's character;

WHEREAS: The applicant has worked with the community to minimize any adverse impacts such as considering the use of private trash collection to the rear of the property to reduce the number of public trash and recycling cans on the sidewalk, adding additional parking spaces and preserving and maintaining the tree located on the property;
