MEMORANDUM

TO: District of Columbia Board of Zoning Adjustment

FROM: Samuel Zimbabwe
Associate Director 

DATE: March 22, 2016

SUBJECT: BZA Case No. 19236 – 755 Columbia Road, NW

APPLICATION

Hobart LLC (the “Applicant”), requests a special exception from the use requirements under § 336, to convert an existing two-story dwelling into a three-unit apartment house in the R-4 District at premises 755 Columbia Road N.W. (Square 2890, Lot 100).

RECOMMENDATION

The District Department of Transportation (DDOT) has reviewed the Applicant’s request and determined that based on the information provided, this proposed project will have no adverse impacts on the travel conditions of the District’s transportation network. DDOT has no objection to the approval of the requested special exception.

This review pertains only to zoning issues and does not consider potential impacts to District owned public space. DDOT’s lack of objection to this zoning exception should not be viewed as an approval of public space elements. If any portion of the project has elements in the public space requiring approval, the Applicant is required to pursue a public space permit through DDOT’s permitting process. The Applicant may refer to the District of Columbia Municipal Regulations and DDOT’s Design and Engineering Manual for specific controls of public space. A summary can be found in the Public Realm Design Manual.
