

Statement of Efforts to Apprise Advisory Neighborhood Commission and Others

This statement is regarding the Applicant's efforts to contact the local Advisory Neighborhood Commission, community/civic groups, the Office of Planning, and adjacent property owners to discuss the application.

I have spoken with adjacent property owners to inform them of plans and intend to continue conversations regarding any concerns they may have.

The Applicant has discussed plans for building the house at 1850 5th St NW with her ANC representative, Brian Footer. Mr. Footer referred her to Patrick Nelson, Chair of the ANC Commission on Zoning, Preservation and Development. In a conversation with Mr. Nelson on January 12, 2016, she and Mr. Nelson discussed plans and the ANC's involvement in the approval process. Mr. Nelson expressed his willingness to assist the Applicant in the process.

The applicant has also discussed these plans with Eric Findler, the President of the LeDroit Park Civic Association. The Applicant was scheduled to present plans to the LPCA at the January meeting and solicit feedback; the meeting was cancelled due to snow. She is on the agenda to present at the LPCA February 23 meeting.

In addition, I have discussed plans with neighbors, who have been supportive. Please see the attached document of neighbors' support.

As the Applicant, I will submit an updated statement of my efforts to contact these groups and the results of these efforts at least fourteen (14) days before the scheduled public hearing.
