RE: BZA Application #19252

To Whom It May Concern:

I am the property owner at the above named address. My property abuts the subject property line at the precise area where the proposed change would take place.

For the record, I am in total support of the proposed change. Currently, the subject building extension is in a dilapidated state and does not contribute in any fashion to the overall aesthetic of the house. The proposed addition will be a welcome change.

Thank you in advance for your consideration of this matter.

Sincerely,
