Burden of Proof/Existing Use

Agape Woodland tigers Children's Academy is currently operating as an Early Learning Center with current operations licensed for ages 3 years to 10 years. The facility located at 3200 S Street, SE WDC 20020 known as Ryland Memorial Church has an additional structure (Lot 80; 207 square feet) is where the current children (ages 3-10 years) are located and attend. The purpose of this request is to initiate an age change from the current 3-10 years to 3 months to 12 years. The request is stemming from an out pour of our current parents and community seekers who are in desperate need of childcare for infants 3 months to 3 years.

Agape Woodland Tigers Children's Academy is early learning centers that has met all licensing requirements for the current center with no disruptions or problems to the neighborhood and/or community and have made additional preparations to accommodate the revised age group request of 3 months to 12 years. It is our request to remain as is and add the additional age group to its current enrollment. This would assist the parents and fulfill the need for quality childcare center and provide an opportunity for employment, which is greatly needed in the Ward 7 community.
