To Whom It May Concern:

I understand that construction is proposed for 1234 Duncan Pl. NE, owned by James Hunter, to add an additional floor to the existing home. I understand that my existing venting for gas-fired equipment will need to be extended in order to comply with building code. I consent to the extension of the venting for the rooftop furnace at the expense of James Hunter as part of the construction of the project at 1234 Duncan Pl. NE.

Sincerely,
