ADVISORY NEIGHBORHOOD COMMISSION (ANC) 5B03
STATEMENT IN REGARD TO CASE # 19277

October 21, 2016

As ANC 5B03 Commissioner, I confirm that I have been in communication with Ms. Orpel Tucker in regard to Zoning Case 19277 for Special Exception to permit the operation of a day care center at 3302 18th Street NE, Washington, DC.

It is my understanding that the 5B03 community generally supports the Special Exception for Woodbridge Day Care, but that there are several concerns that have been raised during application process and that need to be discussed with the community.

I plan to coordinate a conversation between the Woodbridge Day Care and the community in advance of the November 16 hearing. I will submit an additional statement after this meeting.

Best Regards,

Michael Morrison, ANC 5B03
