Good afternoon Commissioner Quinn,

We just received notice from the Board of Zoning that they have not received the ANC5E report from the Voting Support received on May 17 for our case. Our hearing date is next Tuesday June 21 and this report needs to be submitted as soon as possible. We appreciate your help with this effort.

If you have any questions you may reach me at [339-222-2137](tel:339-222-2137).

Thanks

James Little

What was the address associated with this case? Who is the Commissioner for that SMD?

I remember this one. I printed it right after I received it and thought I had already submitted it. It will be filed in time for the hearing. Thank you for bringing this to my attention.

Good Morning Commissioner Quinn,

We wanted to follow up and confirm submission of the ANC5E BZA report form 129 referenced above and in the emails below. We apologize if you have already submitted the report but our view of the exhibits submitted for our case (printed this morning and attached) does not include the ANC5E report. As our hearing is tomorrow, June 21, 2016, we wanted to assure all forms are submitted given the importance BZA places on the ANC report.

Thanks you for your support in our case.
