Re: Board of Zoning Adjustment Order No. 19415 – Request for Modification of Consequence to Amend Condition – Supplemental Filing in Case No. 19415A

Dear Chairman Hill and Members of the Board:

On February 5, 2018 on behalf of Verizon Wireless (the “**Applicant**”), we requested a Modification of Consequence to modify a condition of approval of BZA Order No. 19415 (“Order”) which was then pending. Subsequent to our filing, Order No. 19415 was issued. We wanted to supplement the record of this case by including a copy of the final Order which is attached hereto as Exhibit A.

We would be happy to produce any other information above and greatly appreciate your consideration of this matter.

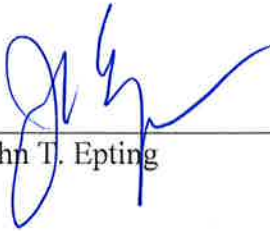

Sincerely,

John T. Epting
