Where the feeling of home is made for you, and so is just about everything else.

# Community

Co-living, co-eating, co-playing, co-creating. This is what it means to live life in common.

## The Common Experience

### **Private Bedroom**

A space to call your own. Choose a room designed for singles or couples.

### **Flexible Moves**

Adventure awaits. Move to any other Common home with just 24 hours notice.

### **Fully Furnished**

Just bring you. We've got the Casper mattress, bedding, hangers, couches, spoons and everything in between.

### **Utilities Covered**

We'll take the bill. Electricity, water and all that other good stuff is always included—no math. No surprises.

### **Superfast WiFi**

Commercial-grade WiFi powers private and communal spaces. Because Netflix and cat videos.

## Weekly Cleaning

We're all about good, clean fun. Shared spaces are spruced weekly to keep the place feeling (and smelling) like home.

## Shared Supplies

We've thought of literally everything so you can think about other stuff. Kitchen, bathroom, cooking and cleaning supplies are baked right in.

## Community Events

It's better together. We plan weekly and monthly gatherings like potluck dinners, movie nights, yoga, book clubs and all the fun things.

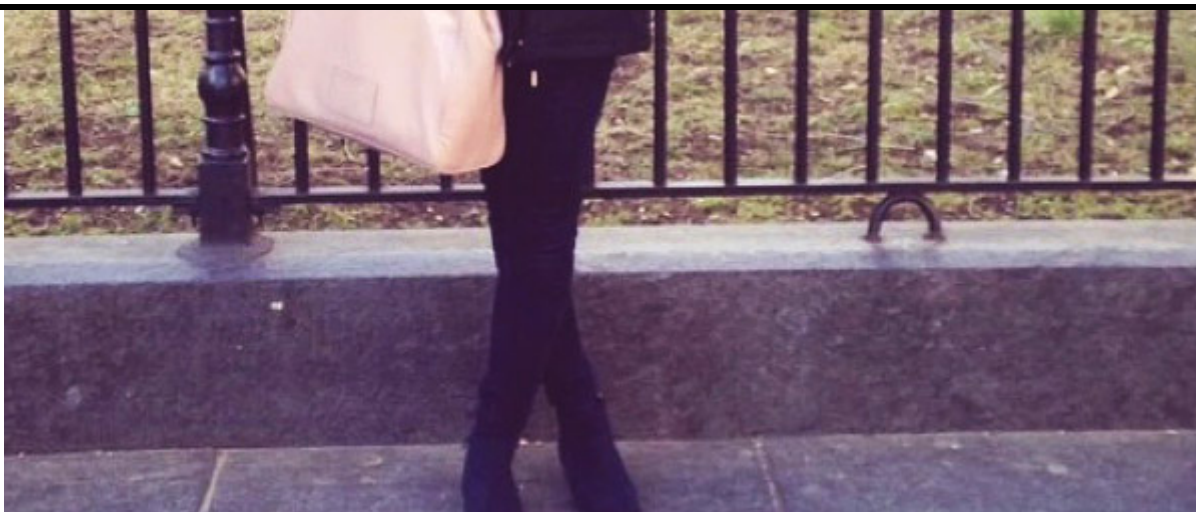

## 24/7 Laundry

Make a clean break from offsite laundry. Wash and dry anytime in the comfort of your own
