

GOVERNMENT OF THE DISTRICT OF COLUMBIA
Board of Zoning Adjustment

April 28, 2020

Memo to file:

**Re: BZA Application No. 19557A of Government of the Commonwealth of Australia –
Modification of Consequence**

On February 4, 2020, the Applicant was notified that this case was scheduled for a public hearing before the Board of Zoning Adjustment (BZA) on March 18, 2020. But because this is a Modification of Consequence, (not a Modification of Significance which requires a hearing), BZA staff recognizes that it can be addressed by the Board at a public meeting, and we regret any confusion the initial communication may have caused. As you were informed on March 13, 2020, all hearings and meetings were suspended because of Mayor Muriel Bowser's COVID-19 emergency orders. Since that time, the Board had decided to schedule virtual public meetings to decide certain cases or motions.

This memorandum is to provide notice that a decision on the Modification of Consequence in Application No. 19557A has been administratively rescheduled from the Public Hearing of March 18, 2020 to the **Public Meeting** that will be held virtually on **Wednesday, May 6, 2020 at 9:30 am**.

Please see the details below on how to listen to the virtual meeting. Also see the **Call-In Information sheet** that is attached to the email transmitting this memo, as well as posted in the case record.
