Dear Madam or Sir:

We are writing today as a parents of a current PreK3 student and a future student at Latin American Montessori Bilingual (LAMB) Public Charter School as well as DC residents residing in the Crestwood neighborhood for the last 3.5 years. We would like to ask for your support for LAMB's move to the Kingsbury building as a permanent home for our school.

LAMB is a consistently ranked top tier charter school in DC and a highly sought after school with hundreds of families vying to get in each year. That speaks volumes for the type of school LAMB is. LAMB is currently spread across 3 campuses which creates obvious challenges for a school. Moving to Kingsbury alleviates those challenges and allows LAMB to serve more of the DC community (which the community clearly wants based on the long wait lists).

We are a new addition to the LAMB family, but in the short 4 months of our daughter attending LAMB, it is clear that the LAMB administration and staff and the parents value community. While we have no doubt that LAMB administration and staff will take any reasonable and necessary steps to be good neighbors, our promise to you is, as LAMB parents, to continually advocate the LAMB community be good neighbors and address the concerns of those residents surrounding the school.

It is evident from the recent ANC vote of 6-0-1 in support of LAMB's proposal to eventually increase enrollment to 600 students that the ANC Commissioners believe that LAMB is open and willing to make the necessary changes and considerations to be a good neighbor. With that, we ask that you support LAMB's move to Kingsbury and the positive impact it will have on our DC community.

Thank you for your time and support.

Very Respectfully,
Anil and Randi Ramcharan
