

October 2017

We are residents of the Sixteenth Street Heights Neighborhood. We understand that the Latin American Montessori Bilingual (LAMB) Public Charter School would like to move their school to the Kingsbury campus next year. We support this move, including the eventual enrollment of 600 students, because we believe the best use of that space is for it to remain a school.

We ask that the ANC write a letter of support for LAMB's request to the Board of Zoning Adjustment. We understand this request specifically asks for an exemption to the Sixteenth Street Heights special overlay; an increase of the enrollment cap to 600 students over 6 years, which the building has the capacity to hold; and for the eventual construction of a gym on the grounds.

To Whom It May Concern:

With this letter, I would like to express my support for the Latin American Montessori Bilingual (LAMB) Public Charter School to move into the campus currently occupied by the Kingsbury School at 5000 14th St NW, Washington, DC, one the Kingsbury School relocates. As a resident of the 16th St Heights neighborhood and a parent myself, I am very supportive of kids in DC benefitting from such a wonderful campus and believe moving LAMB to this facility will enrich the neighborhood.

I would be more than happy to address any questions regarding this letter of support, and thank you in advance for your kind consideration.

Best wishes,

Jason Kelleher

Dear ANC Commissioners,

I am a resident of the Sixteenth Street Heights Neighborhood. I understand that the Latin American Montessori Bilingual (LAMB) Public Charter School would like to move their school to the Kingsbury campus next year. I support this move, including the eventual enrollment of 600 students, because I believe the best use of that space is for it to remain a school. I also understand that LAMB has a proven, fifteen-year track record of strong community relations and Tier I educational outcomes for DC's public school elementary students.

I ask that the ANC write a letter of support for LAMB's request to the Board of Zoning Adjustment. I understand this request specifically asks for an exemption to the Sixteenth Street Heights special overlay; an increase of the enrollment cap to 600 students over 6 years, which the building has the capacity to hold; and for the eventual construction of a gym on the grounds.

I urge you to support LAMB's request to join our community.

Sincerely,
