Re: Request to Postpone Hearing Date; Application No. 19614.

Dear Members of the Board:

I am writing on behalf of the Applicant in the above-referenced application to request a postponement of the scheduled hearing date from February 28, 2018, to April 25, 2018. The Applicant is requesting variance relief from a side yard requirement that may no longer be applicable if the Zoning Commission approves ZC. Case No. 17-23. That case is scheduled for April 19, 2018.

Thank you for considering this request.

Sincerely,

Martin P. Sullivan
