RE: BZA Zoning Application
Application of Mark Rivetti, 1121 Abbey Place NE

Dear Board of Zoning Adjustment:

With this application, I am proposing replacing a 2nd story rear addition with a four-story rear addition, as well as a set back 3rd floor addition to 1121 Abbey Place NE, a single family row dwelling. The existing property is an attached single family row dwelling in the RF-1 zone. The home will remain a single-family home.

Sincerely,

A handwritten signature in black ink that reads "MARK R". The letters are stylized and connected, with a long horizontal stroke at the end of the "R".
