Re: Minor Modification No. 19633-A; 3629 T Street, N.W.

Dear Members of the Board:

I am the owner of 3627 T Street, N.W. and my property is directly adjacent to 3629 T Street N.W. I testified in support of the related BZA Application—Case No. 19633. I have spoken with Rory Byrnes of VI 3629 T Street LLC, the owner of the property, to discuss the minor modification. I understand that he is not requesting to change the plans in any way, only to request front setback relief for the front vestibule, which was included in the plans approved in Case No. 19633. I therefore continue to support the project and the requested modification.

Sincerely,

Sarah Lamb
